About the Author and Illustrator

Teresa Bennett Pistole is a former nurse and is currently self-employed in Walkerton, Virginia. **Alex Bennett Pistole** is a veteran of the Afghanistan War, a decorated soldier, and a graduate of Radford University with a major in journalism. He lives in Christiansburg, Virginia.

They often visit relatives in nearby West Point, who shared the true life story of Bubble Duck. Teresa fashioned the text, Alex brought Bubble Duck to life with computer animation, and Bubble Duck has been “quacking” ever since. Teresa and Alex hope readers of all ages will enjoy the humble humor and candid lessons Bubble Duck has to share.
