by Beth Roberts, author of *The Christmas Spider*

On sale November 1, 2017

Belle Isle Books of Richmond, Virginia is proud to announce the upcoming ebook release of the heartwarming children's book, *Albert*, written and illustrated by Beth W. Roberts. This charming children's book, written in rhyme, tells the tasty tale of a helpful mouse named Albert. The Kindle ebook release is scheduled for November 1.

The residents of an idyllic seaside town marvel at the tins filled with Franny's freshly-baked cookies that appear on their doorsteps. No one is quite sure how the magic happens—until they discover Albert, a little mouse with a big heart. This is a story about how Albert came to live with Bob and Franny, and how he learned to share love, kindness, and sweet surprises with everyone, just to make them merry. Albert and Franny can even guide you and your child through making delicious treats for those you love with the book's easy cookie recipes!
