About the Author

Judy Jamison grew up in Portsmouth, Virginia and is a graduate of Virginia Tech where she studied child and family development. Her love of children's literature grew from her years as a preschool, kindergarten, and first grade teacher. She is the mother of three adult children, Nana to six grandchildren, and “Grandma” to a family of sextuplets from Nigeria who live in Richmond. She loves playing the piano, creating *ikebana* arrangements, traveling with her husband Russ, and snuggling with her dog, Finn.

About the Illustrator

Yasemin Arkun, an architecture graduate, spent her “serious” professional life as a 3D visualization artist in various offices, while following her passion for drawing and building her own professional painting career. Finally, since 2018, she continues her journey as a full-time artist and realizes the dreams of art lovers with traditional materials (watercolor, charcoal, oil painting) in her Etsy shop. She is the mother of a wonderful psychologist, currently lives in Bodrum with her cats, and continues to enjoy painting and children's book illustrations.
