ABOUT THE ILLUSTRATOR

Maegan Penley knew from the beginning she was destined to make art, but it wasn't until the day her parents found scribbles on the walls throughout their house that they realized the inevitable and bought Maegan her first drawing book. She now lives in Georgia with her husband and two dogs, and can often be seen jogging around her neighborhood with the dogs in tow, distractedly looking at trees, plants, bugs, and animals. She really, really likes stories.
