Behind the Pink Ribbon

By Norma Woody

Following her diagnosis of an aggressive form of metastatic breast cancer, Norma Woody found herself the bearer of two seemingly unendurable burdens: the knowledge that she was dying, and the realization that too much of the life she had left would be spent in solitude and pain. Yet as the door to her physical life was closing, a window to her inner life was flung open. In her time spent alone wrestling with thoughts and disappointments, Norma found solace in writing, and was able to explore her creative mind and unlock feelings long denied her. In the process, she plumbed new depths of forgiveness, releasing expectations and uncovering within herself a greater childlike wonder for the world and a deeper respect for the God she had always believed in. *Impressions Behind the Pink Ribbon* is her record of that journey through hardship to peace, and it stands as a gift bestowed in unending faith and love.

"... This book faces the tough emotional issues head on and will make you cry, make you laugh, but most of all it will allow you to see the beauty of the human spirit in the midst of the storm."

—Amy Swartz, Community Manager, American Cancer Society
