Imaginary. Nostalgic. Otherworldly. These are the words that inspire the creators of *Quail Bell Magazine* every day. Since 2010, The Quail Bell Crew has explored the arts, history, folklore, and other oddities through a variety of fiction and non-fiction forms. This anthology represents a sampling of their favorite essays and articles from 2010–2012.

“Richmond has a rising star for arts, literature, and culture coverage: *Quail Bell Magazine*. The mag is online but also features an in-the-flesh print version called *Quail Bell Express*. Their lineup of editors, writers, art directors and social media gurus all fall within college age range, which is a boon to their publication. The vibe is serious yet youthful, with a sense of commitment that hopefully translates to longevity.”

~ Richmond Arts Review of Richmond, Virginia
