You're Bringing Me A Baby?!

Written by Caley Cantrell

Illustrated by Sarah Berkheimer

We're bringing you a baby.
Bundled cuddly and small.
She'll join the family.
And be a part of us all.

What??!! Whoa!!! We're getting a what??
Why is the dog always the last to know?
I call dibs on the bed in your room!
She's going to have to sleep in the kitchen.

A new baby's coming, and changes abound! Will there be enough love left for the hound? Expectant parents, dog lovers, and big-siblings-to-be will delight in the worrywart dog who finds out that while he's not the baby anymore, that just might be a good thing!

About the Author

Caley Cantrell is a professor and head of the Communications Strategy track at Virginia Commonwealth University's Brandcenter. She and her husband, Sean, live in Richmond, Virginia, where they are raising their daughter with help and guidance from the dogs they adopt from local shelters.

Illustrator Bio

Sarah Berkheimer has worked as an illustrator, graphic designer and digital artist in the advertising field since 2002.
