# THE HAY- WAGON

*a memoir*

BY ABIGAIL OLSON

After graduating high school, Abigail achieves her childhood dream of getting her CDL and learning to drive 18-wheelers. That's where she meets a big roadblock: due to federal age restrictions, she's too young to drive trucks across state lines. Unsure what to do next, she works as a part-time dump truck driver and part-time receptionist. That is, until she quits her job and relationship on the same day and takes the next flight to Mexico, where she lives for the next four months. Come with Abigail on a journey to self-respect and self-discovery.
