

My Life According to Rock Band

Or Fifty-Eight Stories About Life, Love, and the Greatest Video Game Ever Made

by Cade Wiberg

When fifteen-year-old Cade first laid eyes on the box that held the video game *Rock Band* under his family Christmas tree, he could see his whole future: the face-melting guitar solos he'd play to stadiums of screaming fans, the fame and glory that would follow him like an entourage, the girls that would beg for a night with Cade the Rock God . . .

But that's not exactly how it went.

Instead of a packed stadium it was a packed college apartment, and girls didn't exactly beg him, although he did find himself in the highs and lows of love a few times. He didn't get to play to thousands of screaming fans either, but the few real friends he found along the way, well . . . that part turned out to be just as epic.

With a story for each of the fifty-eight songs available on the original *Rock Band*, Wiberg dives headfirst into the brutal and beautiful years that shape us into the people we become, and the music that gets us through it all.
