# EMMY AND THE MOON

Story By  
Audra Honaker

Illustrations By  
Noam Levi

**Emmy is two.**

She finds lots of things to do! This is a story of her zany day-to-day doings with her friends as she waits for her favorite friend, the Moon.

## About the Author

Audra Honaker lives in Virginia and loves to sing, act, read, and bottle-raise kittens for the local humane society. She has one cat of her own named Suprise (so spelled because— isn't that how we all pronounce it?). She also has one niece, named Emmy, and Emmy and the Moon is her first book. Emmy continues to do delightfully astonishing things, so Audra hopes Emmy and the Moon enchants you and your family as much as Emmy continues to enchant her own.

## About the Illustrator

Noam is a Portugal-based children's book illustrator. After many years of illustrating in a variety of styles, she realized—thanks in part to being a hobbyist writer herself—that her true passion lies in illustrations that tell a story. She loves creating expressive, character-driven artwork that feels alive and gives her a proper artistic challenge.
